A GUIDE FOR TRAVELERS ON THE WAY

May I be a protector to those without protection,
a guide for all travelers on the way,
a boat, a bridge, a passage
for those desiring a better shore.
May I be an island for those who seek one
And a lamp for those desiring light.
May I be a bed for all who wish to rest
And of service to all who want assistance.
May I be the doctor and the medicine,
And may I be the nurse.
And until their suffering passes away
May I always support the lives
Of all the boundless creatures
Unto the ends of space and time.

-Shantideva-

Daily Verses and Gathas

Verse of Atonement

All my ancient twisted karma
From beginningless greed, hate, and delusion
Born of body, speech, and mind,
I now fully atone.

Verse of the Robe

Vast is the robe of liberation,
A formless field of benefaction.
I wear the Tathagata's teaching,
To awaken countless beings.

The Four Great Vows

Creations are numberless, I vow to free them
Delusions are inexhaustible, I vow to transform them
Reality is boundless, I vow to perceive it.
The Awakened Way is unsurpassable, I vow to embody it.

Evening Verse

Let me respectfully remind you:
Life and death are of supreme importance
Time passes swiftly and opportunity is lost
Let us awaken, awaken – take heed.
Do not squander your life.

Meal Gatha

Earth, water, fire, air and space combine to make this food.
Numberless beings gave their lives and labors that we may eat.
May we be nourished that we may nourish life.

Verse Before Work

May this work be done in a spirit of generosity,
Not driven by ego, greed, or delusion.
May kindness sustain us and prevail in conflict
And compassion guide us and lead us to understanding.
May we rejoice in the successes of others
And remain unmoved by praise or blame.

Verse Before the Dharma Talk

The Dharma is vast and subtle,
We now have a chance to hear it,
Study it, and practice it.
We vow to realize its true meaning.

The Sutra on the Heart of Realizing Wisdom Beyond Wisdom

Avalokiteshvara, who helps all to awaken, moves in the deep course of realizing wisdom beyond wisdom, sees that all five streams of body, heart, and mind are without boundary, and frees all from anguish.

O Shariputra, form is not separate from boundlessness; boundlessness is not separate from form. Form is boundlessness; boundlessness is form. Feelings, perceptions, inclinations, and discernment are also like this.

O Shariputra, boundlessness is the nature of all things. It neither arises nor perishes, neither stains nor purifies, neither increases nor decreases.

Boundlessness is not limited by form, nor by feelings, perceptions, inclinations, or discernment. It is free of the eyes, ears, nose, tongue, body and mind; free of sight, sound, smell, taste, touch, and any object of mind; free of sensory realms including the realm of mind. It is free of ignorance and the end of ignorance.

Boundlessness is free of old age and death, and free of the end of old age and death.

It is free of suffering, arising, cessation and path, and free of wisdom and attainment.

Being free of attainment, those who help all to awaken abide in the realization of wisdom beyond wisdom and live with an unhindered mind.

Without hindrance, the mind has no fear. Free from confusion, those who lead all to liberation embody profound serenity.

All those, in the past, present, and future, who realize wisdom beyond wisdom, manifest unsurpassable and thorough awakening.

Know that realizing wisdom beyond wisdom is no other than this wondrous mantra, luminous, unequalled, and supreme. It relieves all suffering. It is genuine, not illusory.

So, set forth this mantra of realizing wisdom beyond wisdom. Set forth this mantra that says:

**Gaté, gaté, paragaté, parasamgaté,
Bodhi! Svaha!**

SONG OF THE JEWEL MIRROR AWARENESS

The Dharma of **thusness**
Is *intimately conveyed by Buddha* Ancestors.
Now you **have** it. *Keep it well.*
Filling a **silver** bowl with snow,
Hiding a heron in the moonlight.
They are similar though **not** the same.
Side by side you can see the differences.
The meaning is **not** in the words,
Yet one *pivotal instant can reveal it.*
Move and **you** are trapped;
Miss and you fall into confusion and doubt.
Turning away and touching are **both** wrong,
For it is *like a massive fire.*
To depict it with **complex** words
Is *to defile it.*
In the **darkest** night, It is *perfectly* clear.
In the **brilliance** of dawn, *It remains* hidden.
It acts as a **guide** for beings.
Its *use removes all suffering.*
Although it is **not** created, It is *not beyond* words.
It is like facing a **jewel** mirror;
Form and image behold each other.
You are **not** it; Yet *it is* you.
Like a **newborn** child, It is *endowed with five* aspects.
No **coming**, no going, No *arising no abiding.*
"Baba **wawa**" is there *anything said or not?*
In truth, this **has** no meaning,
For the *words are not yet* clear.
Like the six lines of the **double** split hexagram,
The *relative and absolute* integrate.
Piled up, they **make** three;
The *complete transformation makes* five.
It is like the taste of the **five**-flavored herb,
Like a *diamond* thunderbolt.
Wondrously embraced **within** the absolute,
drumming and singing go together.
Penetrating the source and **traveling** the way;
You *cover the territory and embrace* the road.
Complications are **auspicious**;
Do not resist them.
What is natural and **inconceivable**,
Belongs *neither to delusion nor enlightenment.*
Causes and conditions **at** this moment
Shine *completely in the* silence.
So fine, it **enters** nowhere,

So vast it exceeds all bounds.
A hairsbreadth **d**eviation
And *you are out of* harmony.
Through the teachings of **s**udden and gradual,
Different *methods have arisen*.
Even though you **m**aster such teachings,
The *truth keeps on escaping*.
Sitting still, yet **i**nwardly moving,
Like *a tethered colt, a trapped rat*.
The Ancestors **p**itied them,
And *offered them the* teachings.
According to their delusions,
They called *black as white*.
When delusions disappear,
The *natural mind* reveals itself.
If you want to follow the **a**ncient path,
Please observe *the Ancients of former times*.
Some try to attain the **B**uddha Way
By *gazing at a tree for ten eons*
They are like a tiger with **t**attered ears
Or a *hobbled horse*.
With **l**ow aspirations,
You will see *jewel pedestals, fine clothing*.
And with a **s**ense of wonder,
You will see *black badgers and white bulls*.
Yi, with his **a**rcher's skill,
Could *hit the mark from a hundred paces*.
But when arrow **p**oints meet head on,
How *could it be a matter of skill?*
When the wooden man **b**egins to sing,
The stone *woman gets up to dance*.
This does not **c**ome by knowing,
Nor *does it involve ideas*.
Ministers **s**erve their lords.
Children obey their guardians.
Not obeying is **n**ot filial,
Failure to serve is of no help.
Practice invisibly, **w**ork intimately,
Be the *fool with no voice*.
For realizing **t**ru**e** continuation,
Is *called the host, within the host*.

The Identity of Relative and Absolute

The mind of the **Great** Sage of India
Is *intimately conveyed west and east*.
Among human beings are **wise** ones and fools
In the *Way there is no teacher of north and south*.
The subtle Source is **clear** and bright;
The *branching streams flow in the dark*.
To be attached to things is **primordial** illusion;
To *encounter the absolute is not yet enlightenment*.
All spheres, every **sense** and field
Intermingle even as they shine alone,
Interacting **even** as they merge,
Yet keeping their places in expressions of their own.
Forms differ **primarily** in shape and character
And *sounds in harsh or soothing tones*.
The dark makes **all** words one;
The *brightness distinguishes good and bad phrases*.
The four elements **return** to their true nature
As a child to its mother.
Fire is hot, **water** is wet,
Wind moves and the earth is dense.
Eye and form, **ear** and sound, **nose** and smell,
Tongue and taste, the sweet and sour:
Each **independent** of the other
Like leaves that come from the same root.
And though leaves and root **must** go back to the Source
Both *root and leaves have their own uses*.
Light is **also** darkness, But *do not move with it as darkness*.
Darkness is light; *Do not see it as light*.
Light and darkness are **not** one, **not** two
Like the foot before and the foot behind in walking.
Each thing has its **own** being
Which is not *different from its place and function*.
The relative **fits** the absolute
As a box and its lid.
The absolute **meets** the relative
Like two arrow points that meet in mid air.
Hearing this, **simply** perceive the Source, *Make no criterion*.
If you do not **see** the Way,
You do not see it even as you walk on it.
When you walk the Way you **draw** no nearer,
Progress no farther.
Who fails to see **this**
Is mountains and rivers away.
Listen, those who would **pierce** this subtle matter;
Do not waste your time by night or day!

Buddha nature pervades the whole Universe, existing right here, now. In reciting The Identity of Relative and Absolute, we dedicate its merits to our Ancestor's Lineage of:

Dedication

The Buddha turns the Dharma Wheel and so reality is shown in all its many forms. All suffering beings are liberated and brought to great joy. We sincerely seek the beneficent guidance of the Three Treasures.

In reciting the Gate of Sweet Nectar, and in offering food, flowers, candlelight and incense we dedicate their merits to:

All ancestors throughout space and time.

To our neighbors wherever they may be;

Let us forever remember the causes of suffering.
Let us forever act to end suffering.

May we always have the courage to bear witness, to see ourselves as Other and Other as ourselves.

- To all those who have suffered harm.
- To all those who have caused harm.
- To the victims of racism and white privilege.
- To the victims of war, gun violence, starvation, oppression, and for the peace of the world.
- For all world leaders to embody wisdom and peace in their hearts.
- For all refugees everywhere
- For those who have been denied entry at our borders.
- For all those whose places of spiritual practice have been violated..
- For all those who are without shelter, food, clothing, medicine and companionship.
- For all those who are imprisoned and for all those who suffer mental anguish and addiction.
- For all those who are victims of fear and ignorance wherever they may be.
- To the countless spiritual beings who are starved for the Dharma.
- To those in the lower realms of existence, and to the harmful spirits who hinder the way.

May they be satisfied with our offering of the dharma, cultivate right wisdom, liberate all beings, and allow the seeds Wisdom and Compassion to flourish forever.

Closing Verse

This is our life

the length of our days.

Day and night,

we meditate upon it. (4x)

Day of Reflection

To begin, please join palms together and recite the following with sincerity of heart:

VERSE OF ATONEMENT

All my ancient, twisted karma
From beginningless greed, hate and delusion,
Born of body speech and mind
I now fully atone

RULE OF THE ZEN PEACEMAKERS

Now being mindful of the purity of my body, speech, and consciousness, I, _____
commit myself for the period of one day (month) to observing the following practices:

Three Refuges

I, _____, for the period of one day, (month) take refuge
in **Oneness**, the awakened nature of all beings; (Buddha)
in **Diversity**, the ocean of wisdom and compassion; (Dharma)
and in **Harmony**, the interdependence of all creations. (Sangha)

Three Tenets

I, _____, for the period of one day (month) commit myself to;
not-knowing, giving up fixed ideas about oneself and the universe, and seeing all manifestations as the
teachings of not-knowing;
to **bearing witness** by allowing myself to be touched by the joy and suffering of the universe;
to the compassionate action of **healing** of myself, the earth, humanity, and all creations.

The Ten Grave Precepts

Just as peacemakers throughout space and time have observed these ten precepts so will
I, _____, practice:

1. **Non-killing**, not leading a harmful life nor encouraging others to do so. I will recognize that I am not separate from all that is. I will live in harmony with all life and the environment that sustains it.
2. **Non-stealing**. I will be satisfied with what I have. I will freely give, ask for, and accept what is needed.
3. **Chaste conduct**. I will encounter the diversity of life with respect and dignity. I will give and accept love and friendship without clinging.

4. **Non-lying.** I will speak the truth and deceive no one; I will speak from the heart. I will see and act in accordance with what is.
5. **Not being deluded, nor encouraging others to do so.** I will cultivate a mind that sees clearly, free of the many intoxicants of this world. I will embrace all experiences directly.
6. **Not talking about others faults and errors.** I will unconditionally accept what each moment has to offer. I will acknowledge responsibility for everything in my life.
7. **Not elevating myself and blaming others.** I will speak what I perceive to be the truth without guilt or blame. I will give my best effort and accept the results.
8. **Not being stingy.** I will use all of the ingredients of my life. I will not foster a mind of poverty in others or myself.
9. **Not harboring anger.** Not holding onto resentment, rage, or revenge. I will transform suffering into wisdom. I will roll all negative experiences into my practice.
10. **Not thinking ill of the three treasures.** I will honor my life as an instrument of peacemaking. I will recognize others and myself as manifestations of Oneness, Diversity, and Harmony.

The Four Commitments

Living the Ten Precepts I, _____, also commit to:

1. **A culture of nonviolence and respect for living beings**
2. **A culture of solidarity and a just economic order**
3. **A culture of acceptance and a life of truthfulness**
4. **Stewardship of the earth**

Transfer of Merit

I, _____, have committed myself to this peacemaker practice of renewing the Rule of the Zen Peacemakers: the Refuges, Tenets, and Precepts for the duration of one day (month). May the benefits of this practice, whatever they may be, extend to all those who dedicate their lives to the practice of peace and to all those who suffer from the consequences of my own greed, anger and ignorance. I wish to transform the afflictive conditions of my body, heart, mind, and world and to realize and actualize the enlightened way through the practices of ***not knowing, bearing witness, and loving actions.***

METTA SUTTA

This is what one who is on the way, who seeks good and wishes to obtain peace, should practice:

*Let us be able, honest and upright, gentle in speech and without pride.
Easily supported, content and joyous.
With few duties and living simply.
Tranquil in our senses, accomplished and modest, without greed.*

*Let us not do the slightest thing that the wise would later reprove.
Let us cultivate the thought: May all beings be healthy and live in safety;
May all beings be happy.*

*All living beings, whether weak or strong, tall or short, big or small,
visible or invisible, near or far, born or to be born.
May all beings be healthy.*

*Let none deceive another, nor despise any being in any state;
Let none by anger or hatred wish harm to another.
Just as a parent shields her only child from harm, so with an all-embracing mind
May we cherish all living things,*

*Cultivating a limitless heart of goodwill for all beings throughout the Cosmos
Above, below, and all around without limit.
May we cultivate an infinite good will toward the whole world.*

*Standing or walking, sitting or lying down, during all our waking hours,
May we practice loving awareness with all our might,
This is the divine presence, here and now.*

*Holding no more to harmful views, abandoning vague discussions,
Endowed with insight and clarity, freed from all greed, anger, and ignorance,
A pure-hearted one who achieves the way
Is freed from the endless round of becoming.*

May all beings be free!
